

Yevgeniy Utkin

Junior Frontend Developer

I am a Front-End developer. I focus on HTML, CSS, JavaScript and am constantly expanding my knowledge in this area. I have experience working as a team leader in a team project. I can quickly find the information I need. I am very organized and disciplined, diligent and attentive to details, I quickly learn new material for myself. I am skillful in analyzing problems and thinking of solutions to accurately troubleshoot and solve technical problems.
